* *Republic Act No. 12209*: Rationalizing safety measures and penalties relative to motorcycle operation, amending Republic Act No. 11235 (Motorcycle Crime Prevention Act).

* *Republic Act No. 11698 ("Vintage Vehicle Regulation Act")*: Rules governing the importation, exportation, registration, and use of vintage vehicles.

* *Republic Act No. 11697 ("Electric Vehicle Industry Development Act")*: Promulgated by DOE, DOTr, DTI, and stakeholders regarding the regulation and development of electric vehicles.

* *Republic Act No. 10930 (Supplemental IRR)*: Guidelines and procedures governing the issuance of student-driver's permits, conductor's licenses, and driver's licenses.

* *Republic Act No. 10916*: Mandatory installation of speed limiters in public utility and specific types of vehicles.

* *Republic Act No. 10913*: Defining and penalizing distracted driving.

* *Republic Act No. 11235*: Preventing and penalizing the use of motorcycles in crimes; requiring bigger, readable, and color-coded number plates and identification marks.

* *Republic Act No. 10666*: Safety requirements for children riding aboard motorcycles.

* *Republic Act No. 10930*: Rationalizing driver's license policies, extending validity periods, and penalizing violations (amending Section 23 of RA 4136, BP 398, and EO 1011).

* *Republic Act No. 10586*: Penalizing persons driving under the influence of alcohol, dangerous drugs, and similar substances.

* *Republic Act No. 8794*: Imposing a Motor Vehicle User's Charge (MVUC) on owners of all types of motor vehicles.

Here are further details explaining the main categories, key functions, and regulatory intent behind the *Administrative Orders (AO)* and *Department Orders (DO)* listed in your documents:

1. Electric Vehicles & New Mobility Frameworks

* *AO No. VDM-2024-044 & AO No. 2021-039*: Set clear standards for classifying light electric vehicles (LEVs), personal mobility devices, e-bikes, e-trikes, and full electric vehicles. They define registration requirements, authorized road classifications (e.g., barangay roads vs. national highways), and driver's license requirements for operators.

2. Vehicle Registration, Importation & MAIRDOE

* *AO No. VDM-2024-045 & AO No. 2014-023*: Mandate strict accreditation, inventory tracking, and stock reporting for **M**anufacturers, **A**ssemblers, **I**mporters, **R**ebuilders, **D**ealers, and **O**ther **E**ntities (MAIRDOE) to prevent illegal vehicle smuggling and unregistered sales.

* *AO No. AO-VDM-2024-046*: Streamlines the legal transfer of ownership for pre-owned registered motor vehicles to enforce timely updating of vehicle titles.

* *AO No. 2017-035*: Introduces the "Do-It-Yourself" system allowing accredited motor vehicle dealers to submit sales reports and registration details online directly to LTO.

3. Licensing, Driving Schools & Road Safety Programs

* *DO No. 2024-007*: Directs the establishment of standard driving academies and mandatory road safety training programs to elevate qualifications for professional drivers and conductors.

* *AO No. 2016-034*: Implemented the statutory extension of driver's license validity from 3 years to *5 years* (and up to 10 years for drivers without traffic violations).

* *AO No. AVT-2015-029, AVT-2015-030 & AVT-2015-031*: Standardized requirements, theoretical and practical driving courses, medical checks, and examination procedures for student permits, non-professional, and professional licenses.

* *AO No. 1 (1972) & AO No. 2 (1980)*: Define LTO's regulatory oversight and inspection rules over driving schools and student driving instruction facilities.

4. Special & Protocol License Plates

* *JAO No. 2024-001 & DO No. 2015-013*: Regulate the assignment, eligibility, and strict issuance of low-numbered protocol plates reserved exclusively for high-ranking government officials (e.g., President, Cabinet Secretaries, Lawmakers).

* *AO No. 2022-040*: Sets the guidelines, eligibility, and administrative fees for motor vehicle owners requesting *Optional Motor Vehicle Special Plates (OMVSP)* or vanity plate numbers.

* *AO No. VDM-2024-043*: Covers procedures for *Plate Ending Requests (PER)* to match specific ending numbers for vehicle registration scheduling under the vehicular volume reduction/plate-ending system.

5. Fines, Penalties & Traffic Enforcement

* *JAO No. 2014-01 & DO No. 2008-39*: The primary nationwide schedule of penalties, fines, impounding rules, and license suspensions for traffic violations (e.g., driving without a license, unregistered vehicles, reckless driving, illegal modifications).

* *DO No. 2008-38*: Establishes standard administrative costs and fees for licensing issuance, permits, and application renewals.

* *JAO No. 2011-01*: Implements Republic Act No. 10054 (Mandatory Helmet Act), requiring all motorcycle riders and backriders to wear approved standard protective helmets with ICC/PS mark stickers.

* *AO No. BGC-AO-99004*: Mandates compulsory seat belt devices and anchoring points for vehicle front and rear seat passengers.

6. Vehicle Testing, Expressways & Public Safety

* *DO No. 2021-003*: Mandates 100% cashless, RFID-based toll payments (e.g., AutoSweep, Easytrip) on expressways to reduce traffic congestion at toll plazas.

* *DO No. 2018-008*: Outlines the accreditation standards for authorized testing centers and certified installers of speed limiter devices in public utility buses and heavy commercial trucks under RA 10916.

* *DO No. 2012-10 & AO No. 2000-81*: Set emission testing guidelines and authorization standards for *Private Emission Testing Centers (PETCs)* in compliance with the Philippine Clean Air Act (RA 8749).

* *DO No. 2010-32*: Coordinates and standardizes vehicle class definitions across the Land Transportation Office (LTO) and the Land Transportation Franchising and Regulatory Board (LTFRB).

No.	Memorandum Order	Topic
1	MVL-2026-228	Cessation of LTO-IT use and transition to LTMS for specified transactions

2	MVL-2026-226	Implementation of accessory penalties for suspension and revocation of driver's licenses
3	MVL-2026-225	Processing of applications for temporary and improvised plates
4	MVL-2026-223	Suspension of the online driver's license renewal system and alternative procedures
5	MVL-2026-208	Cessation of LTO-IT use for specified transactions and reversion to LTMS
6	MVL-2026-207	Revision of LTMS at enhanced driver's license system pilot sites
7	MVL-2026-205	Accountability and proper management of accountable items and official documents
8	MVL-2026-203	Clarification on clearances and release letters for registration and transfer of ownership
9	MVL-2026-198	Policy on temporary permits to travel (PTT)
10	MVL-2026-189	Proper care, custody, and use of accountable forms
11	MVL-2026-188	Enforcement of regulations on aftermarket mufflers
12	MVL-2026-185	Inspection protocols for private vehicles operating under lease agreements
13	MVL-2026-184	Temporary suspension of enforcement actions involving aftermarket mufflers
14	MVL-2026-178	Suspension of acceptance and processing of applications for change of plate
15	MVL-2026-177	Policy on issuance of motorcycle license plates within the issuing region

Here is the concise summary of the Memorandum Circulars and Issuances from the screenshots you sent earlier:

* *Validity Extensions*: Extended deadlines for expiring driver's/conductor's licenses, student permits, vehicle registrations, and Temporary Operator's Permits (TOP) during COVID-19 quarantine periods and system transitions.

* *10-Year Validity License*: Implemented regulations, fee structures, and the mandatory Comprehensive Driver's Enhancement (CDE) course for 10-year license renewals.

* *Digital System Rollouts*: Deployed the Land Transportation Management System (LTMS) and Motor Vehicle Inspection & Registration System (MVIRS) across district offices, adding online appointments and vehicle renewal features.

* *Vehicle Inspection Rules*: Adjusted protocols for Private Motor Vehicle Inspection Centers (PMVIC) and Private Emission Testing Centers (PETC), including periodic suspensions of mandatory PMVIC testing.

* *Plates & Security Acts*: Deferred plate-related provisions of the Motorcycle Crime Prevention Act (RA 11235), issued guidelines for plate replacement/backlog distribution, and updated rules on child restraint systems (RA 11229) and motorcycle accessories.
